PERDAUS CONGRATULATES MDM HALIMAH YACOB ON HER NEW APPOINTMENT AS PRESIDENT OF SINGAPORE

Perdaus congratulates Madam Halimah Yacob on her appointment as the first female President of Singapore.

As someone who has long been in the public service and a champion of various social causes, we believe that her efforts towards the betterment of society will only be strengthened under her guidance and stewardship.

Madam Halimah's appointment as the President of the Republic of Singapore is an inspiration and motivation to other Muslim women to come forward and take bigger roles in our society. It is also a testament to the fact that neither race, religion, gender nor social class is a barrier to serving the Singapore nation.

We look forward to working with President Halimah Yacob and other social agencies in the near future to forge a strong and cohesive community, in line with Perdaus' vision, "Towards a Righteous Society".

Finally, we pray to Allah to continue to grant her strength, wisdom and ease in her new position of leadership as the symbol of the Singapore people.
